# THE TOURNAMENT FIELD

# **ALL-TIME TOURNAMENT FIELD**

Note: The column "How" indicates how teams qualified for the tournament: "Q" means automatic qualifier and "L" indicates at-large selection. In the "Conference" column, for an independent or conference team that earned automatic qualification by winning the conference tournament of an unofficially recognized conference, that conference is listed in parentheses. Other notations in the conference column are listed at the end of this section.
